

STUDENT APPLICANT NAME: _____

As the person who met with both the prospective student and the natural parent(s), please provide us with your comments and observations about this student's application or personality based on personal meeting or interview.

Agent/Interviewer Name: _____ Date of Interview: _____

What are the main reasons the student is motivated to study abroad? And why in Canada?

Do you have any reservations about the student's ability to succeed in the programme?

Describe the student's personality:

In your opinion, which 2 aspects of the homestay programme are MOST important to the client, and will make the homestay experience successful. No guarantees we can 100% match this.

1. _____

2. _____

Other comments, observations: *(additional pages may be added if needed)*

Prepare us! Please also provide comments, observations or feedback about the **parent(s)** of the student with respect to their opinion of their child's participation, expectations they may have of the programme, of CISS MLI or of the student's end result.
